No.A5 C 1747/47 48

Office of the Deputy Commissioner,
Kolar District
Kolar dated the 9th June 1948

To

The Secretary to Government,
Revenue Department,
Bangalore

Sir,

Grants for drainage works of Malur and Mulbagal Towns

I have the honour to state that a drainage scheme to Malur Town for Rs 42285/- was sanctioned by Government in their order dated 26th May 1942, the cost being met in equal proportions by Government and the Municipal Council A grant of Rs 2000/- per annum was being sanctioned for this work from the year 1941 42, from the Town Improvement grants No grant was sanctioned during 1946-47 and the current year so far

Similarly, a scheme for Rs 65125/- was sanctioned to Mulbagal Town and Government are also subsiding this work as in the case of Malur drainage scheme A grant of Rs 2000/- was being sanctioned per annum and this grant has been held up from 1946 47

Both these works are under progress and the financial position of these Municipal Councils does not permit them to take up the work independently on their own In the interests of the sanitation of these towns, the grant should be continued I request you kindly to obtain very early sanction of Government for a grant of Rs 2000/- to each of the Municipalities for the year 1946-47 as well as for 1947-48 so that the grant may be drawn before the close of the current year and placed at the disposal of the Sanitary Engineer along with a like sum contributed by the Municipalities as required by rules

I have the honour to be,
Sir,
Your most obedient servant,

For Deputy Commissioner,
